INAUGURATION @ 10.30 AM

10.45 – 11.00 AM : Tea Break

TECHNICAL SESSION I @ 11.00 AM

*'Facile Synthesis and Characterization
of Nanoparticles'*

By

Dr. M. Thirumavalavan

Senior Scientist & Research Advisor
Department of Electrical Engineering,
National Central University, Taiwan, R.O.C

12.00 – 1.00 PM : Paper Presentation

01.00 – 02.00 PM : Lunch

TECHNICAL SESSION II @ 2.00 PM

*'Transition Metal Catalyzed
C-H Bond Functionalization'*

By

Dr. Charles Beromeo

Assistant Professor, VIT, Vellore.

3.00 – 3.15 PM : Tea Break

VALEDICTION @ 3.15 PM

About the college

C. Abdul Hakeem College was founded in 1965, as an affiliated college to the University of Madras and then affiliated to Thiruvalluvar University, Vellore, since its inception in 2002. The college is managed by Melvisharam Muslim Educational Society. The college is reaccredited by NAAC.

The college offers UG & PG courses in History, Mathematics, Physics, Chemistry, Zoology and Commerce and also has UG courses in B.Com (corporate secretaryship), Computer applications, English (Lit) and Business Administration. Further M.Phil and Ph.D., programmes are offered by the department of Tamil, English, History, Mathematics, Chemistry, Zoology and Commerce.

Established in 1965, celebrated the Golden Jubilee in 2015, the college has come a long way on the history of education by conquering the golden milestones of luring popularity, trust of parents, inspiring appreciation from the higher-ups in the department of education and so on.

About the Department

The department of chemistry of C. Abdul Hakeem College was started as one of the earliest department in the year 1967. B.Sc. and M.Sc. programmes were started in 1970 and 1984 respectively. The department was elevated into a research department in the year 1992 by offering M.Phil. (Full-Time & Part-Time) and Ph.D., programme was started in the year 2010. The B.Sc., Chemistry course was started in the evening college from the year 2015.

The department has excellent infra structure and well qualified faculty members, also engaged in active research in several areas of chemistry. Major research projects funded by UGC, DRDO & TNSCST are being carried out successfully by the staff members. Both faculty members and research scholars have published many research papers in National and International SCI journals and presented papers in National and

International seminars/ conferences/workshops. Government of India has accorded the department the status of DST-FIST sponsored department with instrumental facilities such as FT-IR and UV-Visible spectrophotometer. The department is well equipped with electrochemical work station, particle size analyzer, spincoater, probe sonicator and polishing machine, etc. The chemistry department is striving towards providing quality education and research training to the students.

Focus on the Seminar

The one day International Seminar on “CONTEMPORARY DEVELOPMENTS IN CHEMISTRY (CDC - 2020)” is aimed to make a forum where students, researchers and industry personnel will discuss about the recent developments in the field of chemistry. It will create an opportunity for young students and budding researchers to exchange their views.

Call for Papers

The organizing committee invites papers from the students and research scholars on the topic “Catalysis, Nanochemistry, Coordination Chemistry and Polymer Chemistry”

Registration

**Registration Fee: Rs. 150/- (Spot Registration)
on 09.01.2020 at 9.00 AM**
